Local crew

Set up and strike:

- 1 stage technician
- 1 light technician

Stage:

- * Wooden floor suitable for dancing, clean and clear of any sharp objects;
- * Performance area: 11 m width and 8 m depth; minimum height 4 meters.
- * If there is no possibility, we can adapt to smaller area.
- * **Black** dance floor to cover the entire performance area. The floor must be mopped before each show and rehearsal;
- * Black box type stage drapes, covered from all 3 sides; 4 entry areas 1,2 m wide are shown on plan. 1,5 m free space is needed on both sides behind side drapes.
- * Stage clearly visible from the controlling area.

Sound:

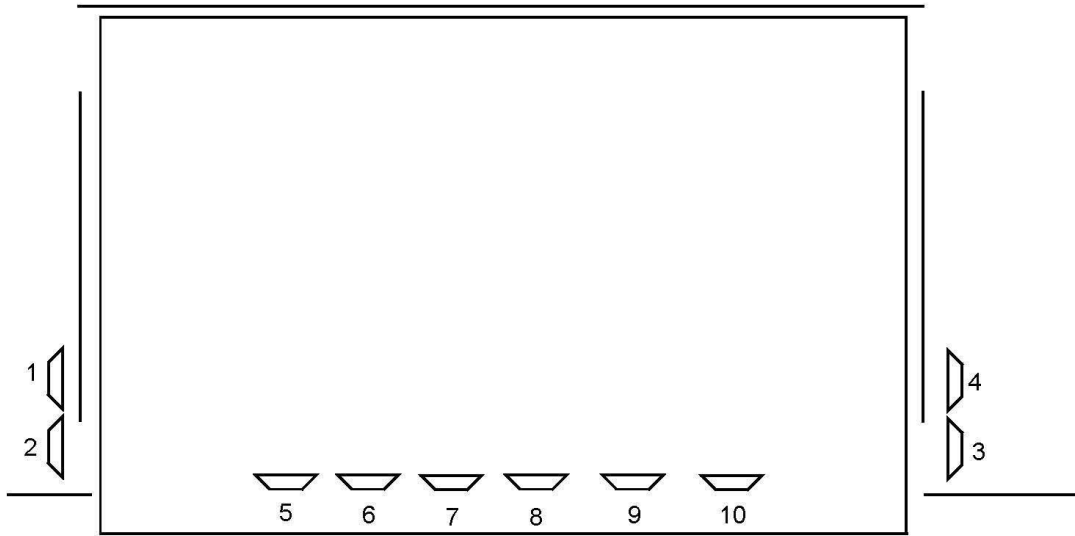

Musicians performing live. No sound equipment is needed.

Light:

- * Required equipment:
 - 10x special lights (provided by the company)
 - Identical 12-channel dimmers
 - 2x Harting/Socapex Cables and 'Harting/Socapex to Schucko' boxes (one per each side);
- * All necessary cables and additions to light equipment;
- * Grand MA 2 Command Wing set or MA 2 light

Light installation:

- * All light fixtures are on the floor.
